Jewellery Designer Profile

YOURA JEWELRY

YOURA Jewelry create pieces representing the art of creativity, capturing what is hidden in a beautiful piece of jewellery designed to capture the heart. The inspiration for this piece was the colours, gradations and history of the brand's heritage and civilisation; a symbol of dignity and goodness, forged by previous generations, kings and greats. Visit Yourajewelry.com and follow @Yourajewelry on Instagram to find out more.

GEORGE THE JEWELER

George Khalife, is an American celebrity jeweller and jewellery designer. Seen here is their Diamond Icon Cuff' in 14k gold, also available in white and rose gold. The Icon Cuff is the first piece in the George The Jeweler signature collection. Visit georgethejeweler.com and follow on Instagram @georgethejeweler

XIAOTONG GUO

Xiaotong Guo was born in China, however it wasn't until she went to college that she embarked on her jewellery journey. Xiaotong finds beauty in imperfections and discovered a means of expression through her obsession with jewellery, utilising such imperfections in her work and elevating their charm into beautiful jewellery. Visit

CASSANDRA MAMONE

Cassandra Mamone offers a bespoke range of on trend yet timeless pieces that encapsulate classic design, whilst reminiscent of their unique inspiration. Australia based designer, Cassandra sources only the finest materials from the purest white diamonds to the most radiant semi precious stones. They specialise in remodels of heirloom pieces and custom engagement rings. Visit cassandramamone.com Instagram: @cassandramamone

SHURUI STUDIO

Shurui Studio is a fine jewellery brand, combining the beauty of sustainable lab-grown diamonds with contemporary design. Their diamonds are cultivated with solar power, an infinite energy source, filling each piece with a radiating shine. Ethical luxury combined with cutting-edge innovation; making jewellery that feels like sunshine. Visit shuruistudio.com and follow @shuruistudio on Instagram to find out more.

DEON SMITH

A unique designer that hand makes jewellery in recycled silver and woods that are ethically sourced and indigenous to South Africa. Seen here is a pendant from their Botanical Collection, inspired by the special and beautiful Cape Floral Kingdom. Visit deonsmithjewellery.com and follow on Instagram @deonsmithjewellery

GEMME

Bringing fashion and technology together, Gemme uses 3D printing technology to create iconic and experimental jewellery designs. This brand is also behind the Gemme Designer, an intuitive online customisation tool that allows anyone to create their own jewellery. In a matter of seconds, design your wedding ring, a special gift or a truly unique accessory. Explore a new dimension for

MERAKI AND STAR

Out of Salt Lake City, Utah, Meraki and Star encapsulates beauty, elegance and grace. This jewellery is perfect for presenting yourself as the confident, unique individual that you are. Join the Meraki and Star brand and illuminate the room with a touch of class that only you can provide.

Visit www.merakiandstar.com and follow @merakiandstar on Instagram.

FEJN

Clear and pure design – made for city nomads and urban heroines, fejn stands for puristic fine jewellery with a timeless and modern style. With their sustainable approach, they love reduced designs and clean looks. Founder Dagmar Kraemer brought her own label to life, realizing her dream: a

label for urbanists. Since then she has followed two clear policies: pieces of jewellery, inspired by purist fashion and sustainable action. Visit www.fejn.com and follow @fejnjewelry on Instagram.

ADLIN HUE

The Japanese designer Mariko Abe makes the best use of the precious resources that already exist on the earth, with Adlin Hue designs. Materials include silver 925 recycled in the factory, deadstock stones cut by Japanese craftsmen, akoya pearls
